

# PIAB® – Flat Smooth

**NEW**

(Shown Actual Size)

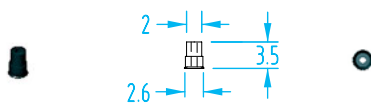

PIAB silicone vacuum cups are among the best and longest lasting silicone cups available. PIAB's specially compounded silicone keeps its flexibility longer than others. If your silicone cups are 'cracking' at the edges and leaking vacuum, try these for longer life. The new FDA Silicone material is approved by FDA (FDA 21 CFR 177.2600.) and meets EU's regulation EU 1935/2004.
