	5945	FX77T50-0-4M	50°	\$19.32

Nipple Included: G1/4" Male

Vacuum Cups

User Replaceable Lips:

Instead of replacing an entire vacuum cup when its sealing surface is worn or cracked, piGRIP vacuum cups allow the user to easily replace only the lip. The cost is significantly less than replacing an entire vacuum cup. Changing lips is easy. It doesn't require tools or any sealant and results in a vacuum-tight seal.

Quick#	Part#	Price	Cup Ø	Lip	Durometer
5951	S25-BLUE	\$4.47	25mm	Std.	50
5958	S25-GREEN	\$3.36	25mm	Std.	60
